

GreenHome INSTITUTE

If the home is a stand-alone single family residence select "No".

If the home has a common or a shared wall or walls with other homes, select "Yes". This includes townhouses, townhomes, rowhouses, and duplexes. If Yes is chosen the "Position of Townhouse Unit" selections will become available.

Note: For the purpose of the Scoring Tool townhouses are considered single family residences. The Scoring Tool is not appropriate for multifamily housing.
